

Week 3

December 14-18

Kindergarten/1st grade

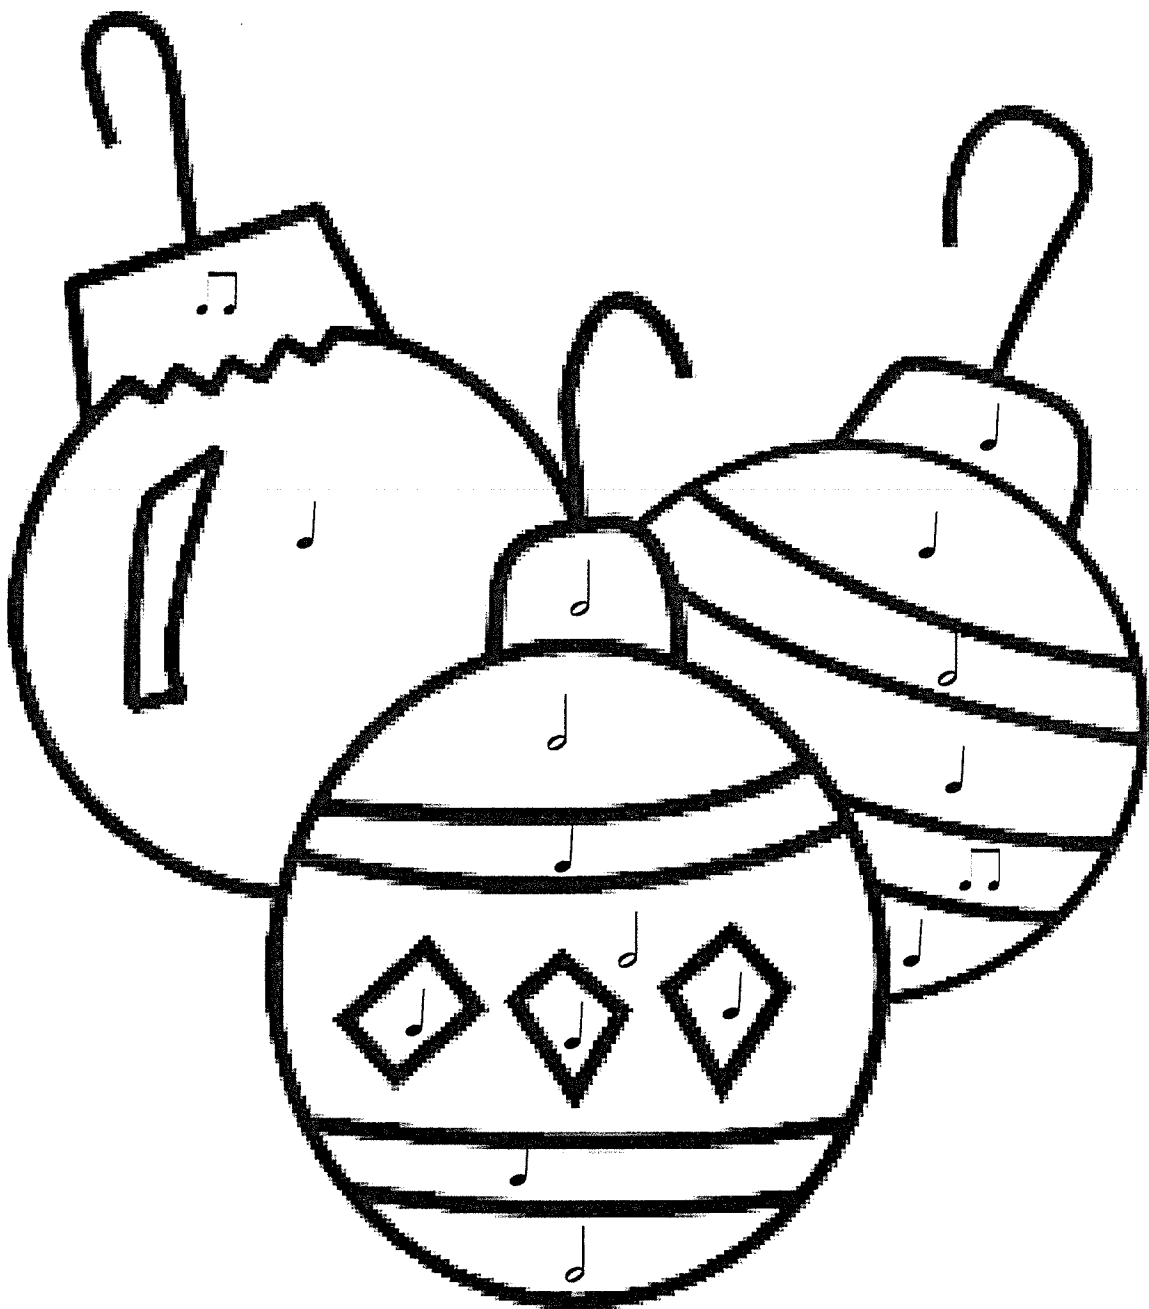

Hi! For this week I've got another coloring page. This one has three different kinds of notes, eighth notes, half notes and quarter notes. Use the key at the bottom of the page for the directions of what colors to use. When you are done you can turn it in with this weeks homework or send it to me on class dojo. Whatever works better for you.

The listening is again on youtube.com, called Paper Plate Dance to Trepak from the Nutcracker. Nutcracker is a ballet written by Russian composer, Tchaikovsky. You will need 2 paper plates or you can clap the parts. You will tap your plates together like we did for our Veterans Day song. You might have to listen a couple of times to get what you have to do, luckily the piece is very short! Enjoy!

Have a Merry Christmas and a happy New Year! See you next year!
Have a fun and restful break!

Mrs. Adelman

Name _____ Class _____

Eighth Notes  Blue

KEY

 Half Note  Red

 Quarter Note  Green
