

Week 3

December 14 – 18

Grades 2, 3, 4, 5, 6

Hi! We've made it! The last week of school for 2020!

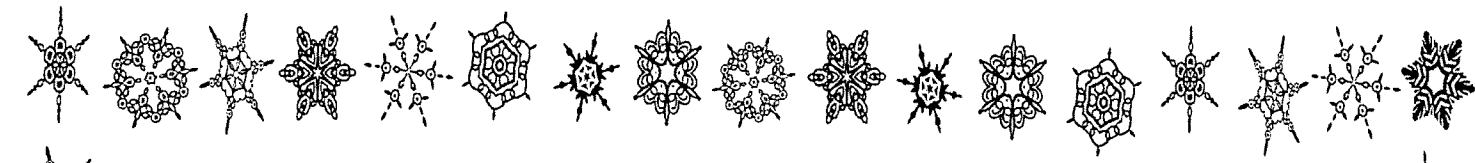

For this week there is one more worksheet to color about identifying 4 different kinds of notes. Check the key at the bottom about what colors to use.

For the listening check out [youtube.com](https://www.youtube.com/watch?v=Ug8vYUg8vYU), Sugar Plum Fairy by Tchaikovsky Glass Duo LIVE. They are playing what is called a glass harp. Each glass has an exact amount of water of liquid in it to make a certain pitch. Then the player rubs his/her fingers around the top of the glass. Looks like it would take A LOT of practice! Fill out the Music Listening Log. A link to the listening and assignments can be found on the school website under Distance Learning tab for music.

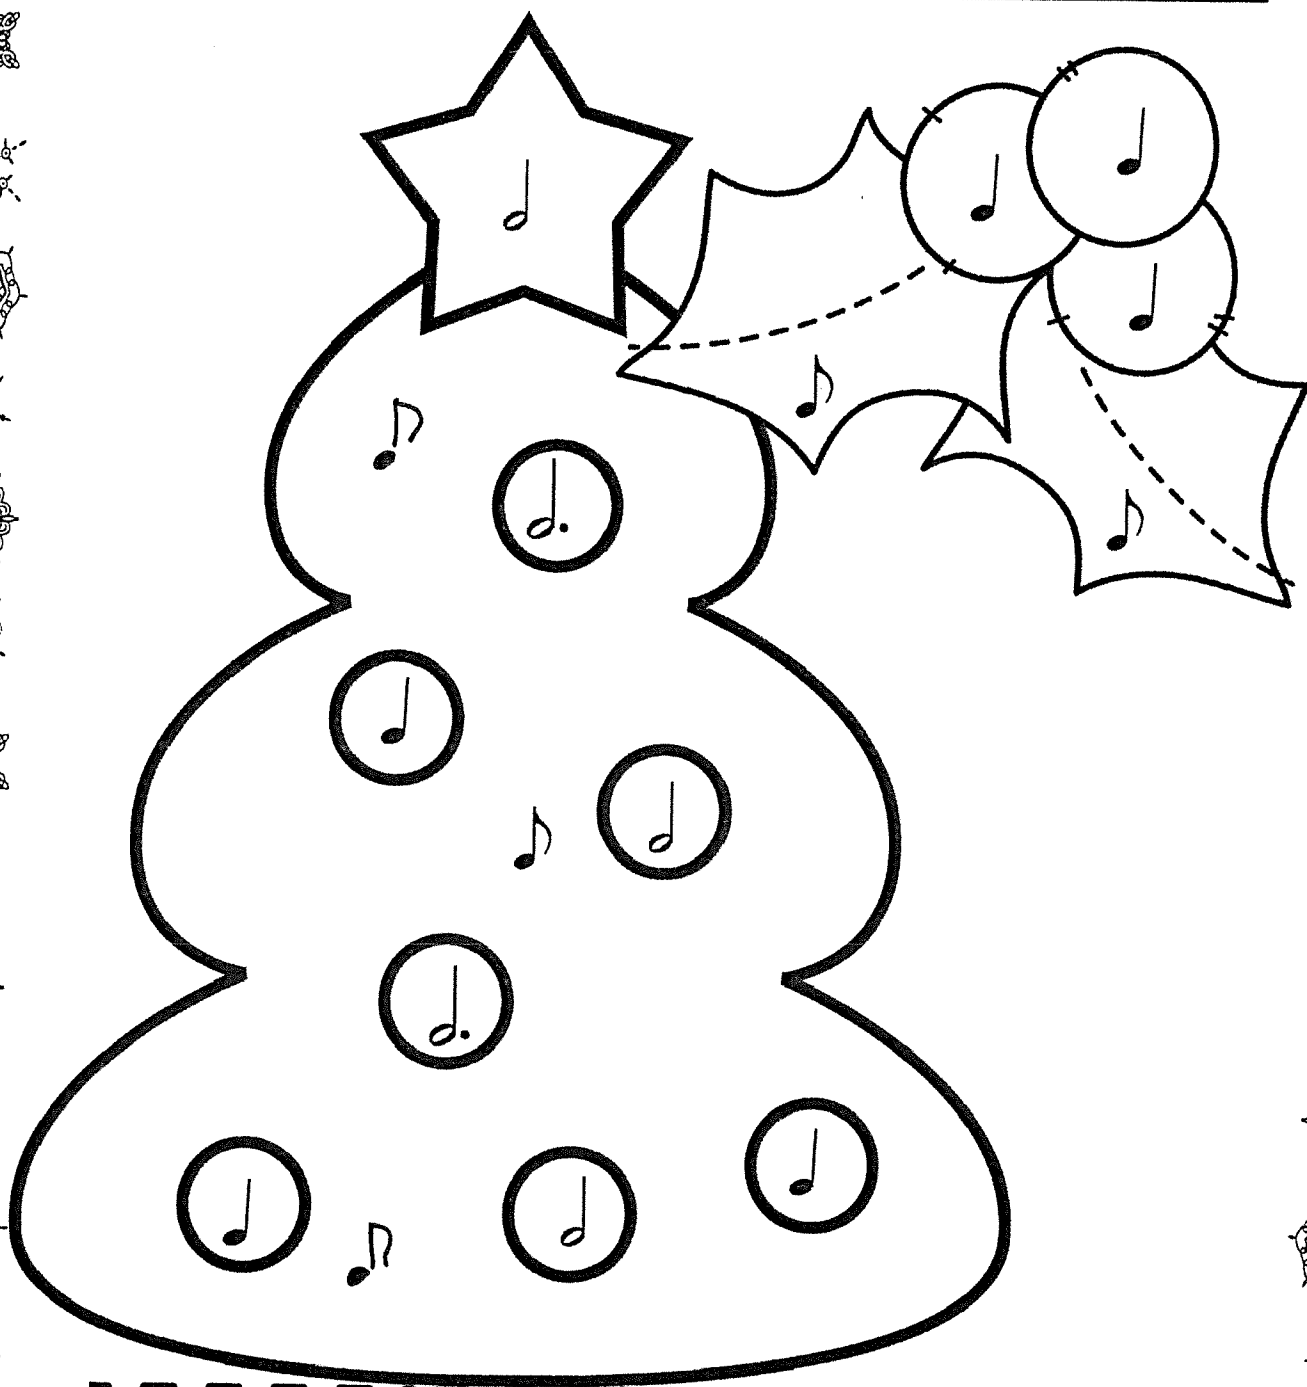

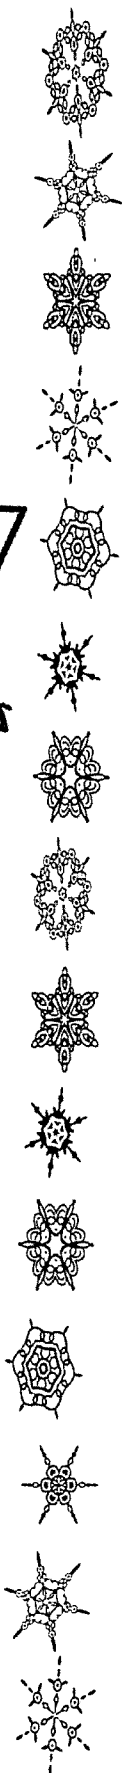

These two assignments can be brought back to school, or downloaded to my dojo site in your class. Don't forget to put your name on the papers.

Have a Merry Christmas and Happy New Year! Have a fun and restful break!

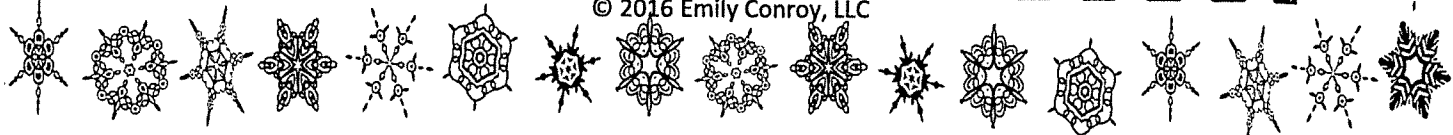

Mrs. Adelman

Name _____ Class _____

 Eighth Note = Green	KEY	 Half Note = Yellow
 Quarter Note = Red		 Dotted Half Note = Blue

Music Listening Log

Name _____

Title _____

Composer/Arranger _____

1. What was performing?

Orchestra

Band

Vocal

Other _____
