

STUDENT CONDUCT

The Board expects students in the district schools to act in such fashion that their behavior will reflect favorably on the individual student and on the school; will show consideration for fellow students; and will create a safe harmonious school atmosphere.

Students are expected to conduct themselves in a manner fitting to their age level and maturity and with respect and consideration for the rights of others while on school district property; while on school owned and/or operated school or chartered vehicles; or while attending or engaged in school activities.

To accomplish this, all students must recognize their individual responsibilities and obligations and discharge them in accordance with the school regulations.

5. Knowingly possessing, using, transmitting, or being under the influence of, any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, alcoholic beverage, or intoxicant of any kind except pursuant to a valid prescription which has been provided to the school;
6. Knowingly using or copying the academic work of another and presenting it as his or her own without proper attribution;
7. Repeatedly and intentionally defying the valid authority of supervisors, teachers, or administrators, and/or causing interruption of the school program;
8. Using a substance or device to communicate a terroristic threat;
9. Using a hoax substance or device to cause fear of a terroristic act;
10. Falsely reporting a threat.

In addition to school disciplinary measures some of the above actions are subject to punishment through civil and criminal authorities.

The above prohibited actions will be printed in a handbook or other publication and made available to students and parents.

School administrators will not recommend a student for suspension or expulsion, except when the student has engaged in one of the prohibited actions mentioned above or other acts of misconduct while on school property or taking part in a school activity off school grounds
